LOGISTICS PARTNERS YOU CAN TRUST

Lognet Global Returns to Bangkok

After a 4 year absence members welcomed the return of our 8th annual conference to Bangkok, achieving our highest attendance to date of 290 attendees & spouses representing 200 member companies.

On Sunday around 45 delegates opted for a scenic tour of the ancient city of **Ayutthaya** while a small group of thrill-seekers took to a local indoor Karting circuit to determine whose handling skills applied not only to cargo shipments but also to 4 wheels!

Also not to forget our band of dedicated golfers who spent a hot day at one of the local courses rather than relaxing by the pool. The conference formally kicked off with **cocktails** on the 9th Floor of Bangkok Marriott Queens Park hotel.

NEW MEMBER ORIENTATION & PLENARY SESSION

Following a New Member Orientation / Benefits update session

in which specific members explained how they used some of the addition services we provide the plenary session was opened by Mr. David Yokeum, Chairman & Founder of WCA, & was subsequently led by Brian Churchman, Lognet Global MD, & Dan March, WCA CEO. After a brief presentation on meeting basics, and particularly the introduction of 20 minute 1-on-1 meetings as had been requested by the members, our conference sponsors, Everest & Movex, were given the opportunity to present their companies. Freightsnap, the latest dimensioning solution available for our members, was then presented by Ken Yokeum.

After giving new members the opportunity to introduce themselves a number of topics were highlighted and member questions taken, the matter of market limits once again being raised. Brian & Dan reiterated that the network will maintain it's policy on maintaining market limits but that it is important for such an environment that all members are active and contribute business to the group- should any weak links be identified Lognet would reserve the right to open those markets to ensure that members can find partners who will be network-focused and dedicated to building reciprocal business arrangements with their fellow members. Other matters raised were implementation of a group messaging App, which hopefully can be provided by a solution under development by our IT dept, etiquette in informing members that RFQ's are closed & the next conference options, with Europe being cited as a good choice in order to attract more of our N & S. American members, Barcelona being a strong possibility.

Following lunch the first afternoon of 12:20 minute 1-on-1 meetings ran until 5pm after which delegates jumped on buses to take them to the boarding point for

THE GALA DINNER, A RIVER CRUISE PROVIDING A NIGHTTIME VIEW OF BANGKOK'S MOST WELL-KNOWN TEMPLES & HISTORIC SIGHTS,

with dance music from the all-girl Unicorn Band, presentation of the Most Valued Partner awards, live World Cup coverage on the big screen and a close-up firework display to round the evening off.

“

Thank you for the email and the conference, I think it was very well organized and also at a great location, Thailand, offering nice and cheap activities and also affordable prices for high quality hotel and facilities, which is very important for all members. By my personal point of view Asia is always the best choice for the conferences

I also think the 20min meetings are better than longer ones, and as per my conversations with the rest of the agents this seem to be a general idea among all of us.

We will definitely be in touch for the remainder of 2018!!

I wish to thank all of you for the warm welcome. This was our first year in LOGNET and definitely NOT the last. We feel richer with all the interactions we made with most of you and look forward to many more in future conferences. Let us collaborate, build business together and make a toast in 2019.

Brian and Team – you did really well, almost effortlessly. May all our solutions to clients mirror the same.

As we say in East Africa – ASANTE SANA (Swahili language for “Thank you”)!

“

Just wanted to send you a quick email to thank you and your team on yet again another great and very successful conference. I think you raised the bar this year with the go-karts and boat trip & fireworks. I find these social functions a great opportunity for ICAL to meet our other agents in a more relaxed atmosphere and this is where the deals get done. The only problem you have is now how to top it next year. Thank you
